## President's Message

So great to be back home from our vacation. My Honey had a family reunion in Lexington KY. that celebrated their 335th family reunion. There was over 250 in-laws, outlaws, cousins, brothers, sisters and even a World-Renowned Magician, Dan Harlan, attended. The Harlan family immigrated from Scotland in 1677 to Philadelphia and there they met and bought land from William Penn. I forgot how acres may, but there was a lot, and some Harlan relatives are still living on the homestead and part of the Harlan home has been turned into a Bed and Breakfast. The Harlan family immigrated to America in search of religious freedom. They were peace loving Quakers.

We had so many different attractions to attend and plenty of chartered busses to get us there. Millard and I elected to go to Claiborne Farm where the magnificent racehorse Secretariat was born and buried. We also were able to visit a racetrack early in the morning to watch the young thoroughbreds learn how to race. I was happy to see more than half of the trainers of these young horses were girls. Favorite thing I toured was the Mary Todd family home just two short blocks from our Lexington Downtown Hilton Hotel. The story of Mary Todd and Abraham Lincoln is truly fascinating given that Mary was from a wealthy family and Abraham had very little family or much else. One of the Harlan relatives, Mary Harlan, married Robert Lincoln, son of President Lincoln. Mary Harlan met Robert at a ball in Washington.

I was able to attend a lecture about A Brief History of Quilts and Quilting in Kentucky given by Robert Worden from Paducah, KY. Robert is fully engaged with the Paducah Quilt Museum and related the story of how the quilt museum in Paducah was started. We did not have any quilts at the lecture to ooh and aah over, but it was a great video presentation. I implore my quilt friends, if you have never attended the Paducah Quilt Museum or the Paducah Quilt show please make it a priority and go see this beautiful town and museum which is home to American Quilter's Society. Date for the Paducah Quilt Show is April 26-29th, 2023.

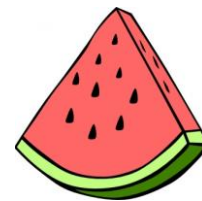

I know everyone has been working hard on finishing their quilts to be entered in our quilt show. I truly believe that this show will be one of our best ever. I have seen some of the items that will be for sale in our booth, and they are different and unique and hopefully show quests will want all of our wares. We have many volunteer jobs still available to help with show and to put up and take down quilts for our guild. So thankful that we have such a beautiful facility in which to showcase our quilts. And to everyone that is working to make this a huge success, thank you. I appreciate all committee chairs and volunteer workers. Please step up and volunteer and give any and all help to these ladies. Please figure out what each of us can do, even if helping for a few hours at show and our quilt guild will continue to grow and be of even more service to our community. Continue to your happy place. Quilting.

Alene Winn    President

We will have our board meeting at six o'clock at August guild meeting which will be one week earlier because of quilt show. Please have issues we need to discuss ready, and we will also be discussing about front door not locking and who will open and close guild meetings.

In August 1762 the sandwich, as we know it, was created when the Earl of Sandwich requested meat between two pieces of bread.

**IRVING QUILT GUILD**  
**GENERAL MEETING MINUTES**

Date: July 21, 2022

Meeting called to order at 6:55 p.m. by Alene Winn.

The meeting started with the July program, a surprise, featuring Mary Calloway, a Dallas quilter and member of the Quilters Guild of Dallas, who presented a delightful and interesting trunk show which was most of the meeting. She used her collected old quilts and those that she had made to illustrate different types of quilt blocks, materials, and colors as well as her experience with quilting. Each quilt had an interesting story behind it. She ended the presentation with a blanket made with a picture of Elvis on it to illustrate the difference between a blanket and a quilt.

After a break, Sue Hyde and Thenia Haynie awarded door prizes because they had to leave early. Then, Alene conducted the business meeting. She started off by thanking Alison Dale for bringing free Moda fabric to the meeting. She also reminded everyone who has one of Alison's Moda panels to get their quilts made by the September meeting.

Programs and workshops: Bonnie reminded everyone about the "Christmas in July" workshop on Saturday, July 23<sup>rd</sup>, at Senter East, from 8 a.m. to 12 noon. There were samples on one of the tables of the projects that attendees would be working on,

Quilt Show: Carol Cook announced that she had the T-shirts for those people who had ordered them last month. Anyone wanting T-shirts can buy them at the Show for \$20. Quilt turn-in day is Sunday, August 14<sup>th</sup>, from 1-5 p.m. Carol recommended that everyone turning in a quilt, get there as soon as possible to avoid the long lines. More volunteers are needed for the non-Expo jobs—mini quilt auction, T-shirts, bag check. The Show now has 319 quilts for display.

Susan Holt also announced that there are a few volunteer holes, but she is certain that they will be filled by the time of the Show. She wanted everyone to know that the Guild is doing a fabulous job of volunteering.

Donna announced that set-up for the Guild's booth/store is Wednesday, August 17<sup>th</sup>, from 8:00-9:00 a.m. and take-down, Saturday, August 20<sup>th</sup> starting at 4:30 p.m. She needs help with both. Anyone who is making items for the booth should bring them to the August meeting, but she will be taking them right up to the Show.

Sue Gray announced that she is selling Show tickets for \$12 each. (The tickets are \$15 each at the door.)

Retreat: Sue Gray also announced that she is taking deposits or the full amount of the cost for the Fall retreat. It is October 13-16<sup>th</sup> at Red Hat, for \$280 per person.

Next month's meeting: Alene reminded everyone that the August meeting will be held the second Thursday, **August 11<sup>th</sup>**, at 7 p.m. because of the Show. The board will be meeting the same day, one hour earlier, at 6 p.m. at the church.

Sunshine and Shadows: Alene announced that her sister, Charlene, had to go to the emergency room at Texas Harris Hospital because of pain in her legs. She ended up having to have the veins in her legs cleaned out. Hopefully, she will be able to go home Saturday. Jackie Wagner updated everyone on her son, Dale, who has started chemo for his cancer. He is keeping in good spirits and tests are showing that there is no cancer anywhere else in his body. She thanked everyone for their prayers.

Angel Quilts: Donna announced that anyone who had turned in an Angel quilt either last month or this month should make certain that they have turned in a light red slip. The slips will be part of a special drawing at this meeting for the baby quilt book that was donated last month by Christy Wilson. Donna conducted 2 drawings—one for these slips and one for the regular red slips awarding 4 points. Gail Webb won both drawings.

Donna also reminded everyone who took one of the panels with a Disney character, to either bring back a quilt made with the panel to the next meeting or the panel, itself, so that someone else can make a quilt.

Show-and-Tell/ There were several dinosaur quilts and an I Spy Quilt.

New guest: New member, Donna Herrmann, brought a friend, Sandy Watts, to the meeting

Alene adjourned the meeting at 9 pm.

## **IRVING QUILT GUILD – Board of Directors Meeting – July 14, 2022**

Attending: Bonnie Sloan, Sue Gray, Ernestine Chipman, Nancy Norris, Jerry Bowen, and Donna Reid.

Not Attending: Susan Holt, Suzanna Fox

Meeting called to order at 2:12 p.m. by Alene Winn, President.

**Donna** started off the meeting by announcing that Carol Cook got the Guild a booth for its store which is 10'x15' rather than just the usual 10 x 10. She already has a lot of items for the booth but may need more. Please let her know if you have any more ideas. She will not be asking any members to volunteer to work in the booth. There will be 4 members staffing it—Susan Hyde, Thenia Haynie, Linda Cole and herself. She will provide the start-up money for it. They will need help setting up and tearing down the booth. Alene, Ernestine, and Sue Gray volunteered.

**Treasurer**, Jerry Bowen reminded the Board that she had sent all the board members a copy of the latest monthly statement earlier in the week. June's income was \$242 for the Show T-shirts. Expenses were the usual miscellaneous ones that the Guild has every month.

**Update on the train quilt:** Ernestine reported that the Archives Coordinator, Kevin Kendro, and the Museum's director, Jane are interested in meeting with Guild members about a special exhibit next year to celebrate the 25<sup>th</sup> anniversary of the Guild. Sue Gray told everyone present that Helen Peele made the train quilt which is hand appliqued and hand quilted. The board members present approved moving forward with this. Ernestine will reach out to some of the founding members to see if they would like to be part of this meeting.

**October Retreat:** Sue Gray announced that she will start taking money for this retreat. The dates are October 13-16<sup>th</sup> at Red Boot Retreat for \$280. Eight to nine people have already committed to attending. She needs 20 to sign up. This is the week before the Guild's October general monthly meeting so some of the board members will not be at the board meeting on October 13<sup>th</sup>.

**July meeting:** Bonnie reported that there will be a program at the July meeting, but it will be a surprise for members. The speaker, Mary Calloway, will have to leave early so she will need to be the first item on the meeting's agenda. She lives on the other side of Dallas. Bonnie asked Jerry Bowen for a check for \$200 to pay her. She is meeting the speaker at 6 p.m.

**July workshop:** Bonnie reminded us of the workshop. The theme will be "Christmas in July". Bonnie will have samples and fabric requirements again at the July General Meeting and patterns at this event, Saturday, July 23<sup>rd</sup>, at Senter East. Members will need to bring their sewing machines and favorite tools.

**August meeting:** The meeting will be about the Show. The Board will meet the same day but at 6 p.m.

**September meeting:** Aine McCarthy from Dime, Texas will be making a presentation on embroidery machine frames. There is no workshop planned at the moment. Aine will also be at the Show.

**October meeting:** The Guild will hold a garage sale at which members will sell their "stuff". They will get to keep the money.

**New idea:** Nancy reported that she had made a good test of some of the historical photos from selected years, at Threadpickers. She had brought 4 different years of Guild photos of quilts. She thinks that these photos will provide good ideas for quilts to give to Donna. All present agreed. She will be bringing the same scrapbooks to the July General meeting.

**MEMBERSHIP COMMITTEE**—No report or update

**GUILD WEBSITE:** No update provided.

**GOOGLE DOCS:** Ernestine had nothing new to report.

Meeting adjourned at 3:05 p.m.

## Angel Quilt Info

Keep working on the panels. Yes, Pam you can turn yours in next year. If you can't use the panels to make Angel Quilts right now, please return them. No questions asked. I've had several ladies ask if we have any more.

In July you turned in 22 Angel Quilts. Including several panel quilts. Our total is 194 for the year. Always remember to write your name on the lite red paper. Gail Walsh won the 4 points for the Lite Red raffle AND the pattern book that Kristi donated. What luck. Gail, I hope you bought a lottery ticket on the way home. I always stand in front of everyone and have someone else draw the tickets. I never want anyone to think I only pick my friends. Truth is everyone who makes Angel Quilts is my friend.

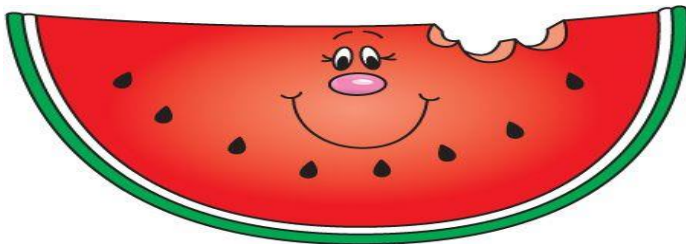

When you have completed Angel Quilts, turn them in to me anytime. I always enjoy being able to deliver happiness to the children at Scottish Rite. This trip I was able to get popcorn. Win Win! Thank you.

Wash your hands. Clean hands are good for our fabric as well.

Thank you,

Donna Reid 214 435-4148

The Silent Patient(2019)  
Alex Michaelides  
Psychological Thriller

Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer; she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word.

Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London.

Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

### Middle Child's Day

When: Always August 12th

*Middle Child's Day* gives a little well-deserved recognition to the wonderful and special middle child in the family.

For parents of three children, you likely know the "Middle Child Syndrome" all too well. If you grew up the middle child with both older and younger siblings, you know the feeling a from a very personal perspective.

The first child is the first child. Beyond a doubt, the first born is a very special occasion. And he, or she, has all of mom and dad for a while before the second child comes along. The final child is and always will be the baby of the family.

This author knows what its like to be a middle child. We won't go into a dissertation about what Middle Child Syndrome is. Rather, we will focus upon one aspect. Older and younger children tend to be more outgoing, or extroverted. The middle Child tends to be more introverted, quieter, perhaps a bit of a loner.

It is very fair and fitting that we celebrate, and place into the limelight, the middle child today. Go out and enjoy this day to the fullest. Tell the world about it. Be a little outspoken, and let the world know how great it is to be the middle child. You truly are a wonderful, talented, ad special person!

Happy *Middle Child's Day* to all of my fellow middle children!

## Easy Banana Pudding with Cream Cheese Recipe

- |   |  |
|---|--|
| 10 ounces vanilla wafers                | 2 teaspoons vanilla essence                |
| 4 bananas, sliced                       | 8 ounces cool whip or heavy cream, whipped |
| 8 ounces cream cheese, room temperature | 2 ¼ cups of cold milk                      |
| 14 ounces sweetened condensed milk      | 5 ounces instant vanilla pudding           |

- Whip the cream cheese and condensed milk together until silky smooth, scraping the bowl's sides for about 3 minutes on medium speed.
- Put the vanilla, milk, and dry pudding mix in the bowl and start mixing at low speed for 30 seconds. Gradually increase the speed until you are on high speed. Mix for 5 minutes until the mixture is smooth and thick, scraping the bowl's sides as needed.
- Fold half of the heavy whipped cream or cool whip into the easy banana pudding recipe with cool whip until integrated.
- Line a large dish with as many vanilla wafers as you can fit. Uniformly place the banana slices on the top of wafers. Spread the pudding on the top of the bananas and then remaining heavy whipped cream or cool whip on the top of the pudding.
- Cover and refrigerate for 3-4 hours. Crumble some vanilla wafers on the top of the pudding and serve to your loved ones.

## National Watermelon Day

**When:** Always on August 3rd

This big fruit deserves its own big day. And so we give pause to celebrate watermelons on National Watermelon Day. Sweet and tasty, watermelons are one of summer's favorite fruit. It's standard fare at picnics. While watermelon is over 90% water, it sure tastes good. And what picnic would be complete without a seed spitting contest?

Our research was unable to establish this day a true national day (which requires an act of congress). We also have not uncovered the origin of this day. we suspect it originated by an agricultural organization, or perhaps a wild and crazy watermelon fan.

Please don't limit your consumption of watermelon to just this month. Stores carry watermelon twelve months of the year.

### Show Store

We're getting closer to the quilt show. This means I have to finish my show quilt. All of the donated items look great. If you have something, you're making for the booth please turn them in so we have a better idea of how much we have and how to lay it out. We'll even take things at the show. If you have any ideas for additional items let us know. Remember we'll need different items for next year as well.

Assistance is needed on Wednesday August 17<sup>th</sup> for booth set up and Saturday August 20<sup>th</sup> for take down. Take down is as soon as the show is over around 4:30. Setup will be early, and we'll let you know as soon as they tell us.

Thank you!

Donna Reid [donna@acdenterprises.com](mailto:donna@acdenterprises.com)

### Members:

I will continue to take money for Retreat in August. I have 19 people signed up with a couple of them **maybes**, so we need at least 20 people for the retreat. If you have never gone, it is always fun. Red Boot Retreat is a great place to go to, work on your projects, visit, get to know your fellow members, and have a good time while eating good food and enjoying everyone's company. If we do not get enough members by the September meeting, I will open this up to some of our friends that are not members of the Irving Quilt Guild.

The cost is \$280 for Thursday thru Sunday.

If you have any questions, please contact me. If I don't answer, leave a message and I will get back to you as soon as I can or email me at [suegray517@gmail.com](mailto:suegray517@gmail.com). 214-950-9517

Thanks

Sue Gray

We have finally received the show tickets. Yes...we're cutting it too close but that just means we can't wait until our next meeting to start selling them. Each Guild needs to figure out a way to meet somewhere for an hour or so and have your members come to you for the tickets.

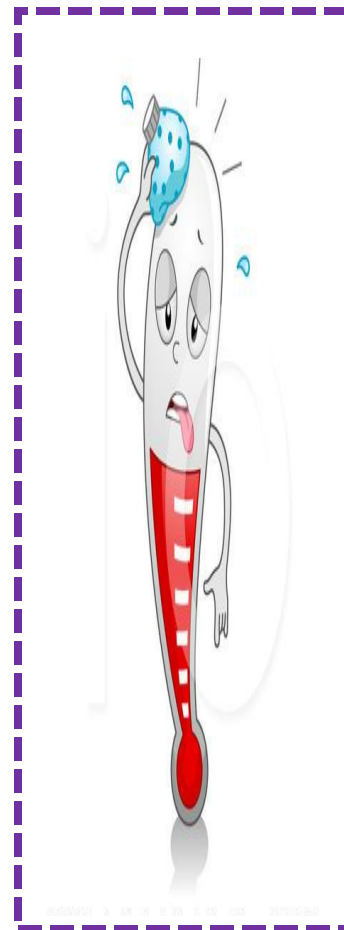

The PINK tickets are to be sold for 12.00 and ALL the money goes to their Guild. The big change is the BLUE ticket. These are like a Voucher, and you do not sell these. You just hand them out and they are redeemed at the show. In order to get credit for any blue tickets you hand out you need to write on the face of the ticket your Guild initials (BCQG, IQG, TVQG etc ) Expo will enter that into their computer at the show and you will get 6.00 for every blue ticket received with your initial on it. At the end of the show you will be reimbursed the money you earned from these.

Eileen is driving around like a chicken with her head cut off trying to get these to each Guild. If she contacts, you because she doesn't know who the ticket person is then work with her to get these distributed as soon as possible.

Remember...this is a major money maker, and we are under the gun to get them out before the opening day.

Thanks Ladies.

Carol
